November Priorities

- Local officers and partner agencies continue to tackle a drug supply issue at specific addresses within the beat area. One in Syston , the others in Thurmaston.
- To reduce the amount of Burglaries and vehicle crime across Syston, Queniborough and Thurmaston which has increased within the last two months.

News last month

We held a crime prevention event last month where we spent the day at Thurmaston retail park signing people up to Neighbourhood link, giving out free goodies and listening to people's concerns.

We also had teams patrolling hot spot crime areas and delivering leaflets and newsletters. I myself went on foot patrol with a police volunteer and even bumped into the Thurmaston Community Speedwatch team !

Since the last newsletter a local burglar has been imprisoned after being found guilty of several burglary offences, some of these were in Charnwood. There has been a marked reduction in dwelling burglaries since this great work by our investigation team. We continue to work hard and patrol at key times to keep these offences down

We also executed drugs warrants at two addresses in Thurmaston. A quantity of drugs were recovered and a male remains under police investigation after being arrested after a short foot chase.

A speeding operation was carried out at Manor Rd, Thurmaston, Main St South Croxton, Beeby & Queniborough Road Barkby on the 30th of October. On the day numerous vehicles were monitored but no speeding or traffic offences recorded. This is good news on this day but we will continue to hold these speeding operations across the beat so get in touch if you wish to suggest a location.

Upcoming Events

Table with 3 columns: Date/Time, Event Name, and Description. Rows include Ratcliffe Beat surgery (1st Dec 10am), Thrussington Beat surgery (1st Dec 11am), and Beat surgery at Hub Café, Syston (10th Dec 10am).

Message from Sergeant Wharton

We have welcomed Pcs0 6098 Lesley Richards to the team this last month. She will write a piece for the next newsletter. Stay safe

Sgt Chris Wharton
