TOTAL **£1,935.40**

Fitting areas must be clear of existing flooring & furniture prior to our arrival & all waste is to be disposed of by the customer unless otherwise agreed.

THANK YOU.

All piled carpets are liable to 'shading' due to unequal crushing of the surface. This is not seen as a fault in any way.

Good afternoon,

Thanks for giving us the opportunity to price this job for you.

Ok, here are some prices for you.

To supply and fully install Polysafe Safety floor with a 6mm ply board to the home cabin £1,770.00 + VAT

To supply and fully install Polysafe Safety floor with a 6mm ply board to the away cabin £1,496.00 + VAT

To supply and fully install Blacktex stock, slip resistant vinyl without ply board to the home cabin £982.00 + VAT

To supply and fully install Blacktex stock, slip resistant vinyl without ply board to the away cabin £806.00 + VAT

These prices both include charges for us to uplift the existing floor coverings, if you need us to dispose of the old vinyl and waste from the job the charge for that would be £180.00 + VAT

The stock Blacktex vinyl I'm putting forward is a very strong vinyl, we buy it in bulk at a very good rate so we are able to sell it on at a good price.

Hope this is all ok for you, if you have any questions, let me know.
