I also wanted to update you on the problem of speeding along Barkby road.

I sent a request for the Camera van to do some speed checks but unfortunately it does not fit the criteria they need to fulfil.

Therefore ,I am trying to arrange a time when the Beat team can carry out some checks and issue tickets to offending drivers. This may be several weeks away but I will keep you updated of any results.

Please get in touch with any questions.

Regards, PCSO 6098 Lesley Harrison.
