

Queniborough's Quest for a Neighbourhood Plan Continues

Working in the background

Our planning consultant, Colin Wilkinson, has been working in the background to develop our first draft Neighbourhood Plan, which sadly we find rather exciting. It will be wonderful to see the results of our labours and all the inputs we have had from the Village actually captured in a document that will be used by the planners whenever planning decisions need to be made. This one document will change the future of our Village for the better. In addition, the work done on the Traffic and Transport Grid is helping to inform and back up Joy Hardy's Village Petition.

School Questionnaire

I promised to share some of the children's comments with you in this latest Gazette because they were informed, pertinent and innocent. They certainly gave the team a lift when reading them.

Things you like about Queniborough:-

'Everyone is friendly'; 'The bonfire event is brilliant'; 'lots of sports facilities'; 'pretty houses; cottages; pavements'; 'Park – to be able to play'; 'Trees, nature around'; 'It looks nice'.

Things you dislike about Queniborough:-

'Dangerous parking'; 'At home time the parking outside the school is really bad'; 'More to do for older children'; 'People breaking things in the park'; 'Too many new houses'; 'People not clearing up dog poo'.

Things to help improve Queniborough:-

'A tram system to avoid traffic near school'; 'More car parking'; 'Cafe and toy shop'; 'Fun Fair'; 'Bunting and decorations'; 'Wildlife nature park'; 'More park equipment: larger equipment for older children'; 'Activity area for children – may be inside'.

Next Steps

Our next meeting is in December where we are looking forward to our planning consultant, Colin Wilkinson, presenting our draft Neighbourhood plan to which more work will need to be done before it's complete. Not quite Brexit but very important to Queniborough!

Keep up to date with our progress
