

## Do you want house builders to have **FREE REIN** in Queniborough, with no thought about the impact they will have on **OUR** village, **OR** should we take some control of development in Queniborough?

### Queniborough's Quest for a Neighbourhood Plan is gathering pace.

Inside this edition of the Gazette is a **Questionnaire** which will give your Neighbourhood Planning team valuable information needed to produce a Neighbourhood Plan ready to test with the Council Planners. You know it's important because the editor has given us the front page.

As I mentioned in the last Gazette, our planning consultancy the RCC, have produced our first draft Neighbourhood Plan; an important milestone passed. They have identified the information gaps and the evidence that we need to obtain to have our best chance of the Neighbourhood Plan being approved and so this questionnaire has been developed, building on our initial consultation in September 2017.

The Questionnaire contains all the information you need to complete it. The key things for us are:-

- Please, please complete it, to help ensure we get the evidence we need to safeguard Queniborough's future.
- Make sure that you tick **'I'm happy to take part in the survey'** or we can't use your answers (new GDPR rules).
- Everybody in your house over eleven years of age can complete a Questionnaire, the more you return the stronger our evidence.
- If you are over 18 a paper copy of the Questionnaire is inside this Gazette for you to complete. Or preferably, if you have access to a computer, please complete the online version of the Questionnaire which is available to you on the Queniborough Parish Council website – this makes the data analysis much easier for us.
- An online Youth Questionnaire for ages 11-18 is also available there.
- The information from the Questionnaire will complete our initial investigations, building our evidence base and allowing us to progress to the end-game.
- That you take control of Queniborough's future.
- The deadline is **31<sup>st</sup> March 2019**.
- **Please, please complete it, to help ensure we get the evidence we need to safeguard Queniborough's future (so good we said it twice).**
